JOINT VENTURE:

Pleasant Grove City is working with Alpine School District on the enhancement of **Battle Creek Park**. This includes Alpine School District purchasing Battle Creek Park from Pleasant Grove City. However, Pleasant Grove City will continue to rent the pavilion to residents as has been done in the past. Enhancements will include 8 new tennis courts that will be available to the public.

Pleasant Grove City will be holding a public hearing Tue, July 8th at 6 pm in the City Council Chambers.

For more information, please consult our website (plgrove.org).

Public Safety Building Neighborhood Meetings

Pleasant Grove City will be concluding their neighborhood meetings in the month of July. We have held meetings in May and June and the feedback has been valuable in putting together a potential plan of building a new Public Safety Building in Pleasant Grove. We do have one more round of meetings in July and even if you haven't attended the first two rounds of meetings, you can still give us your input at our July meetings.

We have four different times set up for residents to attend. You can attend the meeting that best meets your schedule. The information discussed will be the same at each meeting.

Please note that these meetings have been changed from what was originally scheduled:

- 6:00 p.m. Wednesday, July 16 Meeting #1**
- 7:30 p.m. Wednesday, July 16 Meeting #2**
- 6:00 p.m. Thursday, July 17 Meeting #3**
- 7:30 p.m. Thursday, July 17 Meeting #4**

All Meetings will be held in the Multi-Purpose Room at the Pleasant Grove Recreation Center (547 S. Locust Avenue)

MOCA Systems, the consultants hired by Pleasant Grove, will be presenting their findings to the public on Thursday, August 7th at the Pleasant Grove Jr. High Auditorium (810 North 100 East) at 7:00 p.m.

We sure appreciate all those that have taken time to give their input on this issue through the various neighborhood meetings and committees. It has been a thorough process to gather the most efficient way to enhance the public safety services that you as a resident receive.

DISTRICT 57 LEGISLATIVE UPDATE

"What is the Future of America?" Hopefully, if we are tempted to dismiss this question by concluding that *"I am only one person; I have no impact on the future of our nation,"* we will remember the words of the patriot Edmund Burke who said, *"No one could make a greater mistake than he who did nothing because he could only do a little."* Ultimately, then, **which way America goes begins with you and me.** So let this 4th of July be the day that each of us, with God's help, begin to stand up as a pillar for our America, and find just one thing that each of us can do ensure that the compassionate spirit of America remains a living faith. In your service ~ Rep. Brian Greene
