Serving the Community: City Attorney's Office

The City Attorney is charged with protecting the Interests of the **citizens of Pleasant Grove** in both civil and criminal matters. It is the mission of the City Attorney's Office to provide information and accurate legal advice to the City, its elected and appointed officials, its various departments, and its boards and commissions. Additionally, it is the mission of this office to conduct prosecutions of violations of law in a thorough, efficacious, and equitable manner and to assist the authorized and assigned departments in the enforcement of laws and the protection of the health, safety, and welfare of the citizenry. The City Attorney's Office is committed to conduct our mission with integrity, holding itself to the highest professional standard.

The City Attorney's office consists of the **City Attorney, Christine Petersen (Tina); one part-time prosecutor, Jerald Hale; and one part-time paralegal, Tim Reed.** Unfortunately, our criminal case load seems to increase each year. We average 80 new cases each month. The three most serious crimes that are prosecuted by the City Attorney are: Driving Under the Influence of Drugs or Alcohol, Domestic Violence, and Drugs - both illegal and prescription medication abuse. In 2013 there were approximately 71 cases of DUI; 184 drug related cases; and 291 domestic violence related cases, we also handled several thousand traffic cases. The majority of our cases are handled in the Pleasant Grove City Justice Court and the Class A misdemeanors are handled in the Fourth District Court, American Fork Department.

It is our pleasure to serve the elected officials, employees and citizens of this wonderful community. - Tina Petersen
