From the Police Department: With winter upon us, the Pleasant Grove Police Department would like to remind everyone of a few City Ordinances that involve snow removal and overnight winter parking.

7-1-13: REMOVAL OF SNOW, ICE, OBSTRUCTIONS AND WEEDS:

It is unlawful for any owner, tenant or occupant, or the agent of any owner of any property abutting or adjoining any public sidewalk within the city to fail to clean and remove all snow, ice, weeds, litter and obstructions from such public sidewalks.

6-5-3: OVERNIGHT WINTER PARKING:

To facilitate the clearing of snow from city streets, no person shall park any vehicle on any city street where the pavement runs from curb to curb, and also within five feet (5') of any paved public street surface, where the full improvements are not completed, to ensure there is no obstruction to the city plows that would cause health, safety and welfare concerns. This regulation shall be enforced between the hours of twelve o'clock (12:00) midnight and eight o'clock (8:00) A.M. from the period of November 1 through March 15 or any time while snow is actively falling, and for twenty four (24) hours after snowfall ceases. Vehicles parked on city streets, as defined above, are subject to immediate towing and a fine. Striped parking spaces within the public right of way, used for commercial, office, civic, or similar type uses, shall be exempt from this restriction.

Thank you for complying with these ordinances and helping us to keep Pleasant Grove safer during the winter months.

~Mike Smith; Chief of Police
