PUBLIC WORKS: SEWER BACK UP GUIDELINES

Sewer backed up? Here's what to do if a backup occurs:

First take action to protect the people at the property. You can call the City at 801-785-2941. As a service we will check the main sewer. Any blockage found in the main lines will be promptly cleared. If the main line is not blocked, we recommend that you call a plumbing or sewer contractor to check your lateral line. Maintenance and repair of the lateral serving the home is the homeowner's responsibility. Regardless of the location of the blockage, cleanup of the home should be done as soon as possible to minimize damage and possible negative health effects. There are qualified local businesses that specialize in this type of cleanup.

Backup Prevention: Taking notice of what is flushed down toilets and sinks can prevent most backups. Do not flush the following materials (or similar items) down toilets or drains. These items can plug the main and cause damage to you and other property owners connected to the main.

- Large quantities of toilet paper
- Paper towels
- Feminine napkins
- Disposable diapers
- Clothing, socks, underwear...
- Plastic, metal, wood...
- Large quantities of cereals or grains (they can swell)
- Live seeds, beans and peas (they may sprout)
- Grease, fats or oils
- Sand
- Fibrous materials (cotton balls, hair, rags, cigarette butts)
- Sponges, scouring pads

Section 715 of the International Plumbing Code requires installation of a back water valve on drains to plumbing fixtures that are below the next manhole upstream from the building. If you do not have such a device, have one installed.

Insurance: Many homeowners policies exclude sewer backups, coverage can be added. Contact your insurance agent for details.

PG Players Auditions For

The Curious Savage

Pleasant Grove Players will be holding auditions for their upcoming production of the heartwarming comedy, "***The Curious Savage***," by John Patrick, on Tue, Feb 21 and Wed, Feb 22 from 7:00 – 9:00 pm in the Keith Christeson Theater on the first floor of the PG Library (30 E. Center). Auditions will consist of cold readings from the script. No appointment is needed. Howard and Kathryn Little will be directing this production.

"The Curious Savage" tells the story of Ethel P. Savage, who has been committed to a sanitarium by her 3 stepchildren, all respectable members of society, for her "eccentric" behavior such as setting up a memorial fund with the ten million dollars her late husband left her rather than leave it to the children. In the sanitarium, Ethel is greeted and accepted by the kind residents who each have their own "eccentric" behaviors. As the play progresses, we come to realize that it isn't always easy to see who is "normal" and who is not.

Needed are adult men and women of all ages.

Performance dates are April 14 – May 1 on Thur, Fri, Sat and Mon evenings. There will also be a Sat matinee on April 29.

Please call Kathryn Little at 801-836-8104 for more information.
