*Thank you for choosing Pleasant Grove as a place to locate your business.  
We wish you well as you pursue your desires toward a successful and prosperous business.*

### **WHAT IS A BUSINESS LICENSE AND DO I NEED ONE?**

- A business license is the means whereby Pleasant Grove City grants you permission to engage in the business your license is issued for. - If you engage in any business – either permanently or temporarily – within the corporate limits of Pleasant Grove, you are required to maintain a valid, unexpired business license.
- **Section 3-1-1 states:** *Engaging in business includes, but is not limited to, the sale of real or personal property at retail or wholesale; the bartering or trading of property or services; the manufacturing of goods or property; and the rendering of personal services for others for a consideration by persons engaged in any profession, trade, craft, business, occupation or other calling, except the rendering of personal services by an employee to his/her employer under any contract of personal employment.*

### **WHY DOES THE CITY LICENSE BUSINESSES?**

- ▶ The building the business will be operating in meets fire safety code standards
- ▶ All federal, state, county and local codes are adhered to, insuring the safety and well-being of our citizens
