Fence Details

Type: View obscuring Not view obscuring

Material type: _____ Height(s): _____

Site Plan Sketch

Provide a sketch of the lot, the location of the fence on the lot, the proposed height(s) of the fence, the elevation of the lot and surrounding properties, and the location of driveways on the lot and adjacent properties. Use the space provided on the back of this sheet, or attach a separate sheet.

Notice: This permit becomes null and void if work on construction is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work has commenced. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regarding construction or the performance of construction.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not.

Signature of owner, contractor, or authorized agent

Date

Approval by City Zoning Administrator

Date

Approval by City Engineer (corner lots)

Date

Provide a sketch of the lot, the location of the fence on the lot, the proposed height(s) of the fence, the elevation of the lot and surrounding properties, and the location of driveways on the lot and adjacent properties in the space below.
