

CURBSIDE RECYCLING

Pleasant Grove City through Allied Waste started delivering recycle cans the first week of May. Recycle pick up will have a staggered start. Half of the city will start on Wednesday, June 2nd and the other half will be on Wednesday, June 9th. You'll receive a map attached to the recycle can indicating when your individual start date will be. The map will also be available on our website at www.plgrove.org and will be printed in the June newsletter. Once you have your initial recycle picked up, it will then be picked up every other week. Your normal garbage will continue to be picked up every week. The pick up day will continue to be Wednesday. If you have any questions you can call the city offices at (801) 785-5045.

North Route Boundary (Routes 239, 234, 232, & 230): East Boundary to West Boundary--1100 N. and everything North of 1100 N. This will also include the area of 100 E. to Mt. Timpanogos and Grove Creek Drive/Road to 1100 N. The North Route will begin Wednesday, June 02, 2010

South Route Boundary (Routes 241, 240, 238, 236, & 233): Everything and anything not included in the North Route Boundary.

Pleasant Grove City Recycling Information

- Allied Waste has informed the City that they will start delivering recycling totes (cans) beginning the first week in May.
- The recycling pick-up will begin on Wednesday, June 2nd.
- They will keep Wednesday as the recycle and regular garbage pick-up day for the whole city.
- The nuance will be that half of the city recycle will be picked up one week and the other half will be picked up the next week.
- In essence, half the city will have their recycle picked up on June 2nd, the other half on June 9th.
- Then it's just every other week from there.
- Our City Administrator is working with Allied on how they are going to split the city so the City can get that word out as soon as possible.
- Allied will create a map that will be delivered with the recycle cans.
- Once the City receives the map we will have it placed on the website, in the June newsletter, and sent to the local newspapers.

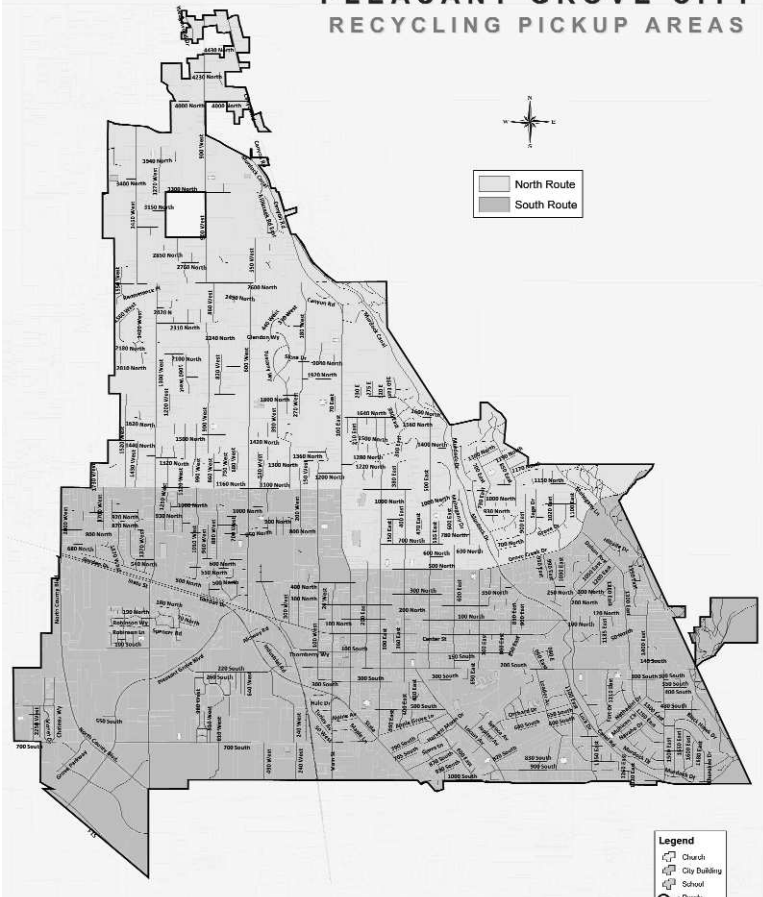

2010 CENSUS

Visit the 2010 Census site at <http://2010.census.gov/2010census/>
Over the past year, we demonstrated our partnership and commitment as most of our residents (73% in the state of Utah) mailed back their 2010 Census form. Today, we thank everyone that participated and encourage ongoing support in the Non-Response Follow-up stage where countless Census Takers visit homes that may not have received the form or simply had not returned it.

In the quest for a complete and accurate count of everyone residing in Utah, a local resident - Census Taker - employed by the Census Bureau may visit your home to follow-up on the survey or gathered data from the neighborhood. Please cooperate with them! Effective June 1, if you still have your form or have yet to have a Census Taker visit, you can call the Provo Local Census Office at (801) 616-5010 to arrange for a visit from a representative of the US Census Bureau.

Again, Thank you for helping our community with the 2010 Census!

PLEASANT GROVE CITY RECYCLING PICKUP AREAS

STRAWBERRY DAYS IS COMING

June 15 through the 20th is Pleasant Grove City's annual Strawberry Days Celebration. Each year we ask members from the Pleasant Grove community to help with the concessions at the rodeo and at the carnival. It is important to note as well that Strawberry Days is a non-profit organization. No one on the Strawberry Days Committee is paid; the celebration is run entirely by volunteers. All proceeds are put back into the celebration and the community.

This year we are asking for any help and support that you can give. We especially need help preparing the strawberries Tuesday through Friday each night anytime after 4 p.m. at the Lions Club building at Center St. and 600 East in Pleasant Grove. Youth are welcome to participate as well.

Thank you so much for all of your support in keeping these events family-friendly and affordable over the years!

Mike Gordon & Scott Fugal, Strawberry Days Committee Members

2010 CONCERTS IN THE PARK

The 2010 season for Concerts in the Park will begin on June 6. The concerts will be every Sunday evening starting at 7:30 pm during June, July and August on the east side of the new Community Center, 547 S. Locust. The schedule is as follows:

- June 6 - Pleasant Grove Orchestra
- June 13 - Utah Children's Choir
- June 20 - Five on the Fly
- June 27 - Buzztones

WHERE TO GET STRAWBERRIES & CREAM DURING STRAWBERRY DAYS

- Tuesday Night at the Free Concert at the pool from 7:00 to 8:30 pm. Free limit one per person.
- Wednesday through Friday at the carnival (Corner of Main and Battle Creek) 12:00 to 10:30 or when ever it is the carnival shuts down.
- Saturday from 10:00 AM to 10:30 or when the carnival shuts down.
- Wednesday through Saturday at the rodeo, approximately 6:30 to 10:30 p.m.

WHY SHOULD YOU CARE ABOUT CLEAN WATER?

Imagine no longer being able to fish, swim or wade through your favorite stream, river or lake. It might surprise you, but many waters in the Pleasant Grove area are degraded due to polluted runoff after a rainfall.

Each time it rains, stormwater runoff (rainfall that does not soak into the ground) picks up debris such as litter, pesticides, chemicals, motor oil and dirt as it flows across rooftops and lawns, streets and parking lots. These pollutants are deposited, untreated, into our waterways. Increased runoff from developed areas can also cause flooding and erosion of stream banks, which results in even more pollutants entering our streams. Stormwater pollution can make monitoring and treatment of our drinking water more difficult and costly. In addition, it can harm our aquatic environment and ruin the beauty of our streams. If polluted stormwater contaminates our water sources, the result can be the closing of our rivers, lakes and streams to the public.

10 things you can do to "be a solution to water pollution"

1. Never dump anything on the street, down a storm drain or in a drainage ditch.
2. Scoop up after your pet. Bag the refuse and dispose of it in the trash.
3. Compost grass clippings and leaves or bag them for curbside collection. Do not blow them into the street.
4. Use fertilizers and pesticides sparingly. Do not apply them on paved areas.
5. Check your vehicles for leaks and repair them.
6. Reduce, reuse and recycle the amount of cleaning and maintenance chemicals used at home.
7. Recycle motor oil and other vehicle fluids.
8. Put litter in its place.
9. Wash cars at a commercial car wash or on a grassy area and not your driveway.
10. Tell a friend or neighbor about how to prevent stormwater pollution and get involved.

GREETINGS FROM YOUR FIRE CHIEF

It is with a degree of sadness that I write this, perhaps my last news letter entry. Over the last few years, we have covered different fire safety subjects. During that time, I have interjected my perspective, sprinkled with a dose of personal experience. I have waxed, on a few occasions, philosophical and maybe even a little poetic. Some entries have been better than others, but each was written with a sentiment of love for you and this wonderful community.

Now before you get the wrong impression - no, I'm not dying and I am not leaving my position. Our utility bill news letter has fallen victim to the strains of our time. Future editions will be condensed and more instructional and informational, leaving me without a forum. I have begun to explore alternate ways of continuing our dialog. It may be through a blog or even a serial news paper entry. I'll let you know.

I would like to thank those of you that actually read my news letter entries and took time to stop me on the street to discuss it.

And so, in case I don't see you: Be careful as you are about the house barefoot in the dark. A mashed toe can be naggingly bothersome. Strap on that helmet before you go for that ride, your head really isn't that hard. Buckle that seat belt, chest steering wheel imprints are no longer in vogue. Go for a walk, the sun light on your skin will produce natural vitamin D, plus the melatonin boost from the pineal gland will keep your circadian rhythms on track, and it may adjust any myopic views of life you might have. Look in the mirror more often. Remember the good times. Go camping and sit around a camp fire. Stash some cash away, just in case. Guys, kiss the most beautiful girl in the world - no, she's not on TV - she's in your life, you just need to open your eyes. Turn the TV off. Cut the lawn in a different direction. Be nice. Try the salad instead of the T-bone. Smell the flowers. And, most of all, be safe.

Marc Sanderson, Fire Chief

STRAWBERRY DAYS ACTIVITIES

- Strawberry Days Kiwanis Relay Race, Wednesday, June 16th, 3:00 p.m., PGHS track
- 4th, 5th and 6th grade boys and girls teams from each of the area's elementary schools will be competing at the Pleasant Grove High School track for fun and money to support their school's extracurricular activities. To learn more contact Doug Thompson at 801-836-9906.
- Strawberry Days Kiwanis Children's Parade, Wednesday, June 16th, 5:00 p.m., PGHS lower field
- The Children's Parade begins at 5:00 p.m. on Wednesday, June 16th. Please line up by 4:45 p.m. at Pleasant Grove High School's lower field (between the school track and the city's swimming pool).
- Come enjoy a leisure stroll starting at the PGHS field heading down 200 south and turning onto Lucust Avenue and finishing near the entrance to the new Community Center. All kids who complete the route will receive a ticket for a carnival ride, admission into that night's rodeo and a popsicle. To learn more contact Mike Chamberlain at 801-830-5585.
- Strawberry Days Concert in the Park, Tuesday, June 15th, 6:30 p.m., Veterans Park
- We are excited to feature Pleasant Grove's very own North Field. This band covers classic pop and rock music with rich vocal harmonies. Come enjoy the beautiful, outdoor setting and a single serving of strawberries and cream.

UTAH COUNTY

SENIOR COMPANION PROGRAM

Our Senior Companions go into the homes of other seniors in their community. They help them with shopping, transport them to doctor appointments or just be their friend. It is a great service to those frail adults that want to stay in their own home.

We are recruiting Volunteers for our program. We would also like to get the word out to those who may need the free services our program offers. Please contact:

Joanne Lyman, Senior Companion Program Assistant • 801-851-7767

Weed Abatement: Ordinance 4-4-2A states that "it is unlawful...for any owner or occupant or real property located within the city...to maintain, permit to remain, or allow the accumulation or growth of noxious weeds...when such conditions create a fire hazard." Please remember to keep your weeds cut.

Must receive FREE fence permit prior to installing fence: Ordinance 10-15-38 states, "Fence permits must be obtained for the installation of all fences from the building inspection office (86 E 100 S). The applicant...shall submit a site sketch showing the lot, the location of the fence on the lot, the proposed height(s) of the fence, the elevation of the lot and surrounding properties and the location of the driveways on the lot and adjacent properties."

No Dumping: Ordinance 7:1:1 of the City Code prohibits the dumping or raking of any rock, mulch, dirt, leaves etc. onto the City streets. It limits free passage of pedestrians/vehicles and dirties both the streets/sidewalks and storm drains. Please place all of the above materials on your own property. Failure to comply with this ordinance will result in a \$100 fine.

Garage/Yard Sale Signs: Ordinance 10-19-7H requires residents to receive a temporary sign permit PRIOR to posting any garage/yard sale sign. Temporary sign permits can be picked up at the Community Development Office (86 E 100 S). It is illegal to post garage/yard sale signs on public property (traffic lights, stop signs, utility poles, etc), and permission must be granted from property owners prior to posting signs not on your own private property. Failure to comply with the garage/yard sale sign ordinance will result in a \$50 fine per illegal sign.

STRAWBERRY DAYS CHILDREN'S ART CONTEST

- Children's art contest. PG Community Center June 16-19
- Entries due by Friday June 11th. Winners will be announced on June 16th and all entries will be on show in the lobby of the Community Center through Saturday the 19th.

For other summer programs and registration schedule, please visit the recreation department website at plgrove.org.

VOLUNTEERS NEEDED TO DELIVER MEALS-ON-WHEELS

Meals-On-Wheels needs volunteers for one hour, once a week in Pleasant Grove. Volunteers deliver meals to homebound seniors in a four mile delivery radius from the Pleasant Grove Senior Center, 242 West 200 South, Pleasant Grove.

Volunteer drivers are the people who actually deliver the meals to elderly, ill, frail, or disabled seniors in their homes. Volunteers use their own vehicles to pick-up the food at the Pleasant Grove Senior Center. The individual meals are packed in hot and cold food containers.

The Pleasant Grove Senior Center Meals-On-Wheels volunteer route consists of 8 to 11 meals in a four mile radius from the senior center. It takes about ½ hour to 1 hour to complete.

We need substitute volunteers to cover Summer months when volunteers on are vacation. Please consider volunteering for one hour, once a week as a back-up substitute.

Did you know?

- Research shows volunteers are happier healthier people.
- Beginning in 2015, one person in Utah will turn 65 years old every 23 minutes.
- The fastest growing segment of our population is age 85 and older.
- Meals-On-Wheels enables seniors to age gracefully at home.

If you are interested in delivering Meals-On-Wheels, please contact Liz Merrell at 801-229-3821 or emerrell@mountainland.org or register online at www.mountainland.org/volunteer.

PL. GROVE BUSINESS ALLIANCE ENTREPRENEURIAL CORNER

Join the Pleasant Grove Business Alliance each month for our Monthly Member Meeting. June's meeting will be one you won't want to miss! Please join us Friday, June 11, 2010, 12:00 p.m. at the Pleasant Grove Community Center. This month's meeting features Mayor Bruce Call and Mr. Scott Darrington, Pleasant Grove City's New City Manager. They will be presenting a "State of the City Address." Come get city updates. Bring your questions and expect some answers! All citizens and business members are invited to attend.

The Pleasant Grove Business Alliance is a member driven organization designed to assist local businesses through networking, education and partnership with city officials. Come join us, learn the latest business trends and network with local business professionals.

The meeting is free to attend. A \$10 lunch is available for purchase from Rubio's but must be reserved. RSVP by calling 801-380-3179 or via email info@pgbaut.com.
