City Zoning Code Reminders

Remember to Prune Trees/Bushes:

Please prune trees, shrubs and weeds so that they are not blocking the sidewalk. Children walking to school are being forced into the roadway because they are not able to stay on the sidewalks. If you see areas of concern either contact your neighbors or the Community Development Department at 785-6057. The City Code requires that foliage be pruned to seven (7) feet above the sidewalk and sixteen (16) feet above the roadway.

No Dumping:

Ordinance 7:1:1 of the City Code prohibits the dumping of any rock, mulch, dirt, etc. onto the City streets. It limits free passage of pedestrians/vehicles and dirties both the streets/sidewalks and storm drains. Please place all of the above materials on your own property.

Storm Drain and Gutter

Cleaning:

Please remove all leaves from the storm drains which are located in front of your house.

Honorary Colonels Select Officers

The Pleasant Grove Honorary Colonels Association was founded in 2010, and is an association made up of civic minded business people and citizens who have pooled their energy and resources to support the Pleasant Grove Police Department.

Pleasant Grove City
HONORARY COLONELS

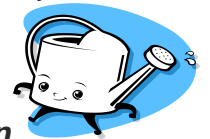

The Pleasant Grove Honorary Colonels support PGPD with officer recognition, community relations, educational programs, and fundraising for the Fallen Officers Fund, K-9, and police equipment needs. A new Business Watch program will help crime proof area businesses.

In August of 2012, the Pleasant Grove Honorary Colonels elected new officers. Michael Carter was elected President and Jim Richards Vice President. Ron Laudie remains as Treasurer, Sherri Atwood as Assistant Treasurer and Linda Chipman as Secretary. Current members of the Honorary Colonels also include Dave Told, Guy Fugal, Paul Olpin, Steve Allred, Richard Warburton, and Sandi Carter.

For more information about the Pleasant Grove Honorary Colonels, contact Mike Carter at 801-368-4567 or any member of the Honorary Colonels.

Secondary Water Ending Early

The secondary water system will be **shut down starting October 1st**. Due to maintenance of the Manila Creek Pond, the City will begin the winter shut down of the secondary water system two weeks earlier than normal. There may be water in some portions of the system for several weeks as the main lines are drained. Residents should plan to winterize their sprinkler systems after the beginning of the month, when lines are empty. The Water Department would like to thank the citizens of Pleasant Grove in their efforts to conserve water this summer. **For questions call 801-785-2941.**
