

Last Update: 5/30/2024

Project Name: 200 West; 400 North to Center St Waterline & Roadway Reconstruction

Project Update:

The contractor will start on the south end and head north on the 3rd of June. Expect roadway closures to start right of way. Residents will need to use alternative routes throughout construction. Sections of the roadway will be gravel for the next couple months. Please drive slowly and be patient until construction is completed. Water shutoff notices will be provided 48 hours prior to planned water shutoffs.

Expected traffic impacts:

Within the project limits the road will be closed to traffic for the duration of the project. Detours will be posted on the side streets surrounding the project.

Project Overview:

This project will replace the aging and failing waterline from Center Street to 400 North and on 300 North. The roadway surface also will be replaced throughout the project limits with drainage issues addressed.

Project Area:
